- (6) Where application is made for a transfer of permit because of a change of ownership of the land, as permitted under clause 7(h) of the Act, the application shall:
- (a) make such request in writing;
 - (b) provide the names and addresses of the previous and new land owner;
 - (c) provide the date that the land ownership change took place;
 - (d) describe the permit that is being transferred.
 - (e) provide written confirmation from the original permit holder and owner that the permit is to be transferred.
 - (f) provide written confirmation from the Designers that use of their drawings for this permit is acceptable.
 - (g) provide new drawings where the drawings which formed the basis of the original permit issuance were prepared by the original owner and the owner is not a "Designer".

3.3 Partial permit— requirements

When, in order to expedite work, approval of a portion of the building or project is desired prior to the issuance of a permit for the complete building or project,

- (a) application shall be made and all applicable fees paid for the complete project; and
- (b) complete plans and specifications covering the portion of the work for which immediate approval is desired shall be filed with the Chief Building Official; and where a partial permit is requested the application is deemed to be incomplete.

3.4 Partial permit — limitations

Where a permit is issued for part of a building or project this shall not be construed to authorize construction beyond the plans for which approval was given nor that approval will necessarily be granted for the entire building or project.

3.5 Inactive Permit Application

Where an application for a permit remains incomplete or inactive for six months after it is made, the application may be deemed by the Chief Building Official to have been abandoned and notice thereof shall be given to the applicant. If an application is deemed to be abandoned, a new application must be filed for the proposed work.

4. PLANS AND SPECIFICATIONS

4.1 Information - sufficient to determine conformity

Sufficient information shall be submitted with each application for a permit to enable the Chief Building Official to determine whether or not the proposed construction, demolition, change of use or transfer of permit will conform with the Act, the Building Code and any other applicable law.

4.2 Two complete sets — required — unless specified

Each application shall, unless otherwise specified by the Chief Building Official, be accompanied by two complete sets of the plans and specifications as described in this By-law and Schedule "B" of this by-law.

4.3 Plans — drawn to scale — on durable material — legible

Plans shall be drawn to scale on paper, cloth, or other durable material capable of being archived in the records system of the Corporation and shall be legible. Upon approval of the Corporation plans may be submitted by electronic media in a form suitable to the Corporation.

4.4 Site Plans — referenced — to plan of survey

Site plans shall be referenced to an up-to-date survey and, when required to demonstrate compliance with the Act, the Building Code or other applicable law, a copy of the survey shall be submitted to the Chief Building Official. Site plans shall show:

- (1) Lot size and the dimensions of property lines and setbacks to any existing or proposed buildings;
- (2) existing and finished ground levels or grades; and
- (3) existing rights-of-way, easements and municipal services.

4.5 As constructed plans

On completion of the construction of a building, the Chief Building Official may require a set of as constructed plans, including a plan of survey showing the location of the building.

4.6 Building Location Survey

Upon completion of the foundation, a building location survey shall be submitted when requested by the Chief Building Official for new residential buildings and buildings under Site Plan Agreement with the Corporation or any other building as requested in order to confirm compliance with any Building Code or zoning requirement.

4.7 Plans property of Corporation

Plans and specifications furnished according to this By-law or otherwise required by the Act become the property of the Corporation and will be disposed of or retained in accordance with relevant legislation.

5. REGISTERED CODE AGENCIES

5.1 Registered Code Agency — hired • by Chief Building Official

The Chief Building Official is authorized to enter into and sign contracts for service agreements with registered code agencies and appoint them to perform specified functions from time to time in order to maintain the time periods for permits prescribed in the Building Code.

5.2 Duties of Registered Code Agency

The registered code agency may be appointed to perform one or more of the specified functions described in section '15.15 of the Act.

6. FEES AND REFUNDS

6.1 Due — payable upon application — Schedule "A"

The Chief Building Official shall determine the required fees for the work proposed calculated in accordance with schedule "A" of this By-law and the applicant shall pay such fees upon application. Without payment of the required fee the application shall be deemed to be incomplete.

6.2 Work without permits

Any person or Corporation who commences construction, demolition or changes the use of a building before submitting an application for a permit or after submitting an application for a permit but before the building permit has been issued by the Corporation, shall in addition to any other penalty under this Act, Building Code, or in this Bylaw pay an additional fee in accordance with schedule A of this by-law in order to compensate the Corporation for the additional work incurred by such early start of work.

6.3 Refunds

In the case of withdrawal of an application, or the abandonment of all or a portion of the work, or refusal of a permit, or the non-commencement of any project, the Chief Building Official shall determine the amount of paid permit fees that may be refunded to the applicant, if any, in accordance with Schedule "A" of this By-law. No refund shall be applied where the permit has been revoked, except where the permit was issued in error. The applicant must make any request for a permit refund within twelve months of issuance of the permit. Refunds requested after this time will not be considered.

7. TRANSFER OF PERMITS

7.1 Application — completed — by new owner

A permit may be transferred if the new landowner completes the permit application form in accordance with the requirements of Part 3 of this By-law.

7.2 Fee — Schedule "A"

A fee shall be payable on an application for a transfer of permit as provided in Schedule "A" of this By-law.

7.3 New owner— permit holder — upon transfer

The new owner shall, upon a transfer of a permit, be the permit holder for the purpose of the Act and the Building Code,

8. REVOCATION OF PERMITS**8.1 Notice of Revocation**

Prior to revoking a permit under subsection 8(10) of the Act, the Chief Building Official may serve a notice by personal service or registered mail at the last known address to the permit holder, and following a thirty (30) day period from the date of service the Chief Building Official may revoke the permit if grounds to revoke still exist, without any further notice,

8.2 Deferral of Revocation

A permit holder may within thirty (30) days from the date of service of a notice under this Part, request in writing the Chief Building Official to defer the revocation by stating reasons why the permit should not be revoked. The Chief Building Official having regard to any changes to the Act, Building Code or other applicable law may allow the deferral, in writing.

8.3 Fee for Deferral

A request for deferral shall be accompanied by the non-refundable fee therefore set out in Schedule "A" of this By-law.

9, NOTICE REQUIREMENTS FOR INSPECTIONS— APPOINTED DESIGNATE**9.1 Notice prior — each stage — to Chief Building Official**

The permit holder shall notify the Chief Building Official or a Registered Code Agency where one is appointed, of each stage of construction for which a mandatory notice is required under the Building Code. In addition, the permit holder shall provide the notice of completion as prescribed by Section 11 of the Act, or where occupancy is required prior to completion, notice of inspection to ensure that the requirements of Section 11 of the Act and the Building Code are complied with.

9.2 Effective — when received — by Chief Building Official

A notice pursuant to this Part of the by-law is not effective until notice is actually received by the Chief Building Official or the Registered Code Agency and the permit holder receives a confirmation number issued by the Corporation or the Registered Code Agency.

9.3 Time Periods— Inspections

Upon receipt of proper notice, the inspector or a registered code agency, if one is appointed, shall undertake a site inspection of the building to which the notices relates in accordance with the time periods stated in the Building Code and section 11 of the Act.

9.4 Appointed Designate

This by-law shall not be deemed to limit the appointment of a designate who may perform or execute any authority of the Chief Building Official where authorized by the Building Code Act, provided such designate, where required, is duly appointed by by-law under the Building Code Act.

10. CODE OF CONDUCT**10.1 Applicability**

A code of conduct in accordance with 7.1(1) of the Act is applicable to the Chief Building Official and Building Inspectors appointed by the Corporation. Complaints regarding improper conduct of the Chief Building Official or an Inspector shall be made in writing and shall be filed with the Director of Development Services.

11. VALIDITY**11.1 Severability**

In the event that any provision of this by-law is declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the remaining provisions of this by-law.

In addition to the above listed fees, the following fees shall apply;

1. Where a drawing review has been completed by the Corporation and a review letter issued, and the applicant changes the "model" of a house and proposes a new model of house for the same lot, an additional fee of 55 percent of the new value of construction will apply to the permit fee for costs incurred by the Corporation.
2. The fee for a request for the use of an Alternative Solution as described in the Building Code as amended shall be based on an hourly rate of \$100.00 per hour with a minimum fee of \$100.00 based on the number of hours or portion thereof to the nearest ½ hour spent by the Corporation to review and research the proposed Alternative Solution. When the Alternative Solution warrants review by a third party the applicant shall also be responsible for the cost of the third party review and a deposit as determined by the Chief Building Official to cover the cost of the third party review shall be provided to the Corporation by the Applicant prior to the review of the proposal by the third party. The determination of the requirement to involve a third party is solely at the discretion of the Chief Building Official.

REFUNDS

Pursuant to Section 6 of this By-law, the fees that may be refunded shall be a percentage of the fees payable under this By-law, calculated by the Chief Building Official as follows:

- (a) Eighty (80) percent if administrative functions only have been performed;
- (b) Seventy (70) percent if administrative and zoning functions only have been performed;
- (c) Forty-Five (45) percent if administrative, zoning and plan examination functions have been performed;
- (d) Thirty-Five (35) percent if the permit has been issued and no field inspections have been performed subsequent to permit issuance;
- (e) Five (5) percent shall additionally be deducted for each field inspection that has been performed after the permit has been issued;

No refund shall be made for an amount less than \$35.00.

MISCELLANEOUS CHARGES

For classes of permits not described in this Schedule, a reasonable permit fee shall be applied by the Chief Building Official.

INTERPRETATION

The following explanatory notes are to be observed in the calculation of permit fees:

- (a) Where cost of construction is used to calculate permit fees (example \$10.00 per \$1,000 of construction value) the current industry average may be applied to the construction value to determine the cost of a permit;
- (b) Where there is a conflict between the applicant and the Corporation in regards to the value of construction at the time of permit issuance, the Corporation may request audited documentation to confirm construction costs. In cases where both parties do not agree upon the value of construction, the current industry average shall be used and upon completion of the project, the applicant shall submit the audited cost of all items pertaining to the construction to determine if any refund is applicable.
